

# Kofi Annan Institute for Conflict Transformation

## University of Liberia

Date, Time & Location	Event	Featuring
<p>Wednesday, May 10, 2017 5 pm – 7 pm</p> <p>Graduate School Building, Ground Floor Hall, Capitol Hill Campus</p>	<p><b>KAICT Wednesday Seminar</b> <b>Annual Governance Report: The Liberian Electoral Process</b></p> <p>The Governance Commission already now gives us insights into its most recent, not yet published report. The forthcoming report seeks to identify conditions assuring that all players in the 2017 elections agree to the rules of the process, and their role and responsibilities to the process. The Annual Governance Report also reviews Liberia’s electoral systems, analyzes data referencing Liberia’s elections including the Liberian Constitution and election laws, and recommendations made are based on information gathered, findings and interpretations of the Commission.</p>	<p>Governance Commission Delegation</p>

## University of Liberia

Date, Time & Location	Event	Featuring
<p>Thursday, May 18, 2017 4:30 – 6:00 PM</p> <p>University of Liberia Auditorium, Capitol Hill Campus</p>	<p><b>EU Film Festival: Movie Screening and Discussion</b> <b>The Land Beneath our Feet</b> (2016) Directors: Gregg Mitman, Sarita Siegel</p> <p>Documentary. When lost footage from the 1920s depicting a corporate land grab in the early days of globalization arrives back in Liberia, it sparks inquiry into how Liberians lost sovereignty over the very land that sustains them. The Land Beneath Our Feet weaves together rare archival footage from a 1926 Harvard expedition to Liberia with the journey of a young Liberian man, uprooted by war, seeking to understand how the past has shaped land conflicts in his country today.</p>	<p>Gregg Mitman, Co-director</p> <p>Emmanuel Urey, Documentary Protagonist</p> <p>In collaboration with EU Mission in Liberia</p>
<p>Wednesday, May 24, 2017 8 am – 3:30 pm</p> <p>University of Liberia Auditorium, Capitol Hill Campus</p>	<p><b>Natural Resources Day</b> <b>Building Liberia Through Efficient Management of our Natural Resources</b></p> <p>A whole-day information and discussion event.
